Appl. No. 09/912,730
Amdt. dated September 1, 2009
Reply to Office action of August 18, 2009

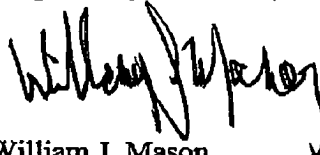

Remarks/Arguments

All claims stand rejected under 35 U.S.C. § 112. In addition to the claims listed in the Office Action, claim 37 is also pending.

It is the Examiner's view that the specification is enabling for financial securities, but not for nonfinancial properties. However, the Examiner notes that the claims would be allowable if amended to overcome this rejection. Accordingly, all claims have been amended to limit the assets to financial securities. Accordingly, in view of the amendments to the claims and for the foregoing reasons, it is believed that this application is now in condition for allowance. Issuance of a Notice of Allowance is respectfully requested.

The cooperation and assistance of Examiner Weisberger in resolving the outstanding issues in this application is appreciated.

Respectfully submitted,
